Futures Program - Summer 2017

With the end of the school year just around the corner we are getting prepared for another fun summer of tennis development. This group is for children 7 and up, who want to improve in tennis while having fun. They may have aspirations of playing competitively, or recreationally but they are certainly the future of tennis. We will continue to build a strong foundation, with emphasis on enjoyment of the game, techniques/form of strokes, tactics, and the basics of competing.
